Memorandum of Understanding

Between

LSi Business School (LSi)

and

Design Lead, LLC (DL)

This Memorandum of Understanding (MOU) sets forth the terms and understandings between LSi and DL to collaborate in the development and implementation of training and development programs in leadership for small and medium enterprises (SMEs).

Background

LSi was founded in 2013 to train and educate youth and students to be self-disciplined and self-confident, to have a clear goal in life, and to possess skills in communication, leadership and a profession for their future and societal development. It has become a recognized higher education institute (HEI) offering a Bachelor’s degree with a focus on small and medium enterprise management.

DL was established in 2014 to create workplaces where everyone can thrive. Its services include organizational assessment, executive coaching and mentoring, team development, and leadership development programs.

Purpose

This MOU will serve to establish the partners’ mutual interest in collaborating on activities including, but not limited to, participation in classes, workshops, and short courses; curriculum development; and study tours.

Specific activities will be set forth in detail in separate Memoranda of Agreement.

Reporting

Monitoring and evaluation of this MOU will be carried out by the Dean of the International Relations Office of LSi and the Principal of DL.

Funding

This MOU does not commit either partner to the expenditure of funds.

Duration

This MOU is at-will and may be modified by mutual consent of authorized officials from LSi and DL. This MOU shall become effective upon signature by the authorized officials from LSi and DL and will remain in effect until modified or terminated by any one of the partners by mutual consent.
